**Habitat for Humanity of Minnesota Allocates \$3,159,700 in Loan Funds to 17 Minnesota Affiliates**

At their September meeting, the Habitat Minnesota Board of Directors finalized the fiscal year 2010 Habitat Minnesota Loan Fund allocation. In FY'10 Habitat Minnesota had \$3.1 million available to allocate through a combination of 21st Century Funds and Next 1,000 Homes Funds. The Habitat Minnesota Loan Fund provides a secondary market for Habitat for Humanity mortgages made by Minnesota Habitat affiliates to homeowners. Affiliates pledge their homeowners' monthly mortgage payments to the Habitat Minnesota Fund and in return receive the cash value of the mortgage right away, rather than having to wait 20 to 30 years for the payments to come in. Funds will be used by the affiliates to build additional homes, acquire land, and as leverage dollars for other Habitat sponsors.

Habitat Minnesota Funds were allocated to the following thirteen Minnesota Affiliates:

Central Minnesota	\$190,000

Both the 21st Century Fund and the Next 1,000 Homes Fund were originally capitalized by the Minnesota Housing Finance Agency. Habitat for Humanity's mission is to build simple, decent, safe and affordable housing for persons earning 50% or less of median income. Minnesota affiliates build approximately 130 homes each year through a combination of donated labor and materials, local fundraising and volunteers.
